melanie

Just eighteen when she made her first video, Melanie quickly became a newbie favorite. Her school-girl looks and healthy sexual libido bundled with a killer body made her a busy girl for a while. She's got all natural boobs, with an all natural smile, a bit of a bubble butt, and a tall frame that can really take a pounding.

During a break in this shoot, she told us that she once fucked doggy-style for twenty-two minutes without a break.

I'M READY TO GO. JUST BRING OUT THAT BIG LENS OF YOURS AND SNAP AWAY!

We asked if it was because her pussy or knees got sore. She said 'no' it was because the guy finally came. She wanted more so she asked the director if there was anyone else who could fuck her so she could finish. She didn't want to wait for the first guy to get hard again. Fortunately, the guy for the next scene was already at the location and he filled in. That was another sixteen minutes before her pussy had enough to finally cum.

draft pick-up

One of the best point guards in college this past year was Jordan Boyder, a highly recruited prep star that came out early for the pro draft after only two years of college ball. He was an early first round selection by our home team and Scott Brown, the man who scouted him for the last six years, would be the first to officially greet him before training camp. Me, I'm Scott's assistant, and along with him we were to show Jordan the town, help him relocate, get him to the training facility on the first day, and whatever else it took to make him happy. He was to be a critical part of the team and his happiness was important. I usually turn out to be the 'whatever else' that makes the new ball players happy. It's a little tradition we've had since we won the Championship a few years ago. At first I was reluctant but after our success, I felt like a huge contributor to the team. Even if it was sometimes on my back, it was just as important as the three point shot. Or at least I'd like to think it was.

That morning, Scott picked him up at the airport and dropped him off at the hotel to freshen up. He told him that he'd be by at seven to pick him up for dinner and that he had a little welcoming present for him. Right on time Scott and Jordan left the hotel for the restaurant. They were recognized immediately and seated for dinner. Jordan was an engaging young man with a great future. Both men enjoyed their steaks and settled back for an after dinner drink and discussions of the team and basketball. I was to arrive about nine that night and do my thing. I spent the evening preparing for it and told Scott I'd give my all.

When I arrived, there were very few who didn't notice me. I glided across the floor. My five inch heels made me appear taller than my 5' 5" frame. My dress, a black satin and silk affair is split up the side, about ten inches beyond the knee. Tonight called for garters and stockings, and little else underneath. No bra. In that dress, I couldn't really wear it without it being obvious.

I have rather large natural breasts and they are spectacular. They ride firm and high on my chest and are capped with bullet nipples, and tonight they were sticking straight out! The dress had no back, and very little front. Cut very low, my breasts were displayed to their best advantage. The only way I could have exhibited them more would be if I was topless. For now, this was as good as it would get.

I immediately spotted Scott when I entered the restaurant. Jordan excused himself to use the rest room and Scott waited for his return before calling me over. I watched Jordan walk back the table. He was a bit over 6' 4" and built like a ball player should be. I don't think I had ever been so turned on by the mere sight of any man that I could remember. His chest tapered into his pants, that by this time I was examining rather closely. I knew I was imagining it, but it looked like I could see the outline of his cock as it ran down his left leg. And imagination or not, I was excited!

Scott pretended as if he had just spotted me and motioned me over. The games were about to begin!

"Hey, Desiree! Glad you could make it." extending his hand to me as if I were there on a business deal. Well, I guess, if it was fashion, I was.

"How nice to see you again, too, Scott." I shook his hand with my best manners. "Desiree, I'd like you to meet my friend, Jordan. Jordan, this is the woman I was telling you about." "It's so nice to meet you." "It's nice to meet you too. Scott has been telling me all about you." "All of it nice, I hope." Scott entered into the conversation at this point. "I hope you don't mind, Desiree, but I told Jordan about your hopes of becoming a lawyer, and I explained to him that after your husband left, you decided to pursue criminal law."

By telling Jordan just a little bit about me, Scott had deftly explained why I didn't seem to be your average call girl. Talk about smart! He had already provided me with the perfect cover. Just as I was about to take a seat, the band started up. Jordan reacted with style and class. "Before we sit, would you care to dance?" "I'd love to." was my reply. "Shall we then?" Before I knew what happened, I found myself with Jordan's arms around me, moving me as if I had no substance, no weight. I seemed to melt into him. No, that wasn't my imagination. I felt a hard cock! He seemed aware of my recent discovery.

"I'm sorry if I'm pressing you too hard. It's just when a woman as soft as you comes against me, I'm afraid I forget my manners. Is it hurting your leg?" There it was. He was referencing his cock, as if it were just something pushing against me. I looked up at his face and replied. "No, it isn't hurting me. I like the feel of a man as he gets excited." With that, I pushed myself closer to him, and I swear, I could feel his dick harden even more. Damn, I was ready to fuck him right there, on that dance floor, in front of a room full of strangers. My pussy was leaking with anticipation as we made our way back to the table. I was ready to get this show on the road.

I was looking forward to sucking that huge cock, to having it enter my tight pussy, and I was looking forward to watching the expression on my Scott's face as this man fucked me. Scott answered my unasked question. "Listen kids, it's getting late, and I have an early day tomorrow," Scott said looking at his watch. "Why don't I just call it a night. I hope you two won't mind if I leave?"

"I've told Jordan that you said you'd have to be back at your place by two and he understands that." "Well, then, that settles it. I'm off." With that, he stood, shook hands with Jordan, winked and said under his breath, "Enjoy yourself, and don't wear it out!" And he was gone! I watched him walk out the door and then turned to Jordan.

"Are you ready?" he asked. "Yes. I suppose so." I was still a bit apprehensive, but I put on a good front. "Yes," I said, "I'm ready." Jordan took me by the arm and led me out the door of the lounge. While we waited for the elevator, Jordan seemed to be the perfect gentleman. He chatted about the draft, basketball, and the humidity. Just as the elevator bell rang, indicating that the door was about to open, Jordan reached his arm out and pulled me closer to him. He leaned down to me and whispered...

"Grab my dick!" I reached down, between his legs, and gave his cock a s-l-o-w rub, running my hand down the full length of his now steel hard dick! I felt so absolutely wicked! The door opened and we entered the elevator.

As soon as the elevator door closed, he turned to me and said, "Take it out. Take it out of my pants." He spoke so matter of factly, I hesitated for a moment thinking about his order. He reached over and pushed the stop elevator button. I stepped in front of him and unzipped his pants. "Now, take it out." I did. Reaching inside his pants, I wasn't sure if I had hold of his cock or a snake. Whatever it was, it was big... and it was moving! When my hand came out of his pants, so did the biggest cock I can ever remember handling. And somehow, I knew it wasn't fully erect yet. I soon found out how unerect it was.

Dropping to my knees, I took his dick into my mouth! My jaws were open wide, but not wide enough. I'd sucked big cocks before, and soon I was sucking him without difficulty, but the damn thing was still growing between my lips. I had just established a rhythm to my sucking when he leaned forward a bit. And the elevator starting moving. He had pushed the start button again. The elevator continued its journey to the tenth floor. Within a few seconds I heard the door open.

Jordan took my hand and led me to his room. Inside was a huge king-size bed awaiting us. We went in and immediately Jordan dropped his shorts and when I saw the size of his cock with no pants around it, I was truly shocked, but a good shock in which I couldn't wait to wrap my lips around it again. I took the head into my mouth and licked up and down the crown. I then took as much as I could into my throat. I kept sucking and licking but there was no way I could take him fully.

Jordan picked me up and carried me over to the bed. In one motion my dress came off and a moment later he was naked, too. I laid back and told him to slam it into my pussy. He took his shaft in his fingers and aimed straight for my pink hole and in went the head. More and more he fed it into my pussy until his balls were banging against my ass. I wailed as he began to thrust into my pussy, crying for him to fuck me harder, to slam my pussy deeper as my fingers rubbed my clit. I was begging him to fuck me and telling him how much I loved his big cock inside my pussy.

Jordan said he was about to cum and as he pumped me harder, I began to cum but jumped off his cock finishing my orgasm with my fingers as I took his cock-head into my mouth. I swallowed him deeper as he unleashed a flood of cum inside my mouth, but there was way to much to contain it. I sucked his cock cleaning the juices from its shaft. I sat back on the bed, legs spread and pussy swollen from the pounding I just received.

Midnight arrived, and like Cinderella, I had to leave. I kissed Jordan goodbye and wished him much success with the team. I went home, called Scott and told him about the evening. He thanked me for taking care of his man. Then added – the other first round pick from Croatia will be in tomorrow. My pussy quivered.

milla

Milla had a new neighbor and she was just looking for an excuse to meet him. She came over saying her coffee maker machine was broken and wanted to use his. She knocked on the door but there was no answer even though she knew he was home. She tried the nob and the door opened, went in and saw him in the shower. She waited for him and when he got out she greeted him with a hungry mouth and eager pussy.

THE SHOWER IS ON AND NOW I'M WAITING TO SEE WHO'S GOING TO CUM OUT OF IT.

He was more than willing to do her the favor. Milla was a smoking hot babe with some serious curves, all ass and tits. He told her to relax while he put made them both a cup of java. When he came back, she started touching herself. As soon as he did, she got down and grabbed his cock and put it into her mouth. He was embarrassed at first, but soon realized she was all about it and wanted to fuck him. She showed she knew how to move her awesome body all over his cock.

It doesn't take much to get me all revved up now that I turned 18. I'm one of those girls that likes to move in the very fast lane. I need my man to be tough and strong, like my bike. Someone who isn't afraid to boss me around, in a good way. I've been a bad girl and so I'm gonna need a good man. If you're a good man, riding in the fast lane, and not afraid of some hot action, I'll suck your dick and let you fuck my pussy. We can even do it on my bike.

ALEX

Petite Alex is lazing around the backyard pool when her neighbor peeks over the fence for a good look. Soon, he gets an invitation to put his cock into her mouth as things start to get heated. It isn't long before he's feeling his way up her legs and into her pussy. That doesn't last long as Alex lays down to expose that tight ass for his taking.

discovering each other

I initially met Beth a few years ago at a company retreat in the Ozarks. She had only been with the us for a year and was still learning her job. But she quickly fit into R&D and just recently got a promotion. At only twenty-three. I came to learn that she was a bit of a 'wunderkind' in high school and college. Last month she got married and there was a little office party for her. Her new husband worked in sales for another department at the company.

That's how they met. He'd bring our new products and show them. Beth was in charge of lab supplies for us, so she would meet with him every time he came in. They courted for almost a year and finally tied the knot. I'm in another department and didn't really know her that well, so I didn't go to the wedding. I heard it was nice.

It turns out that they purchased a large townhouse in the same complex I live it. I didn't know this until I saw her one day in the clubroom. She was setting up a small party to watch the college playoffs. I happened to be walking through to go to the workout room. She was in a short blue party dress that showed off her long legs. We would pass each other in the hallways at the office and even had some joint meetings, but everything was strictly on a professional level. But that didn't stop us from giving welcoming smiles to each other every time we ran into each other. She mentioned that her husband was away for a couple weeks on calls in Austin and so she invited some friends to come by and watch the games with her.

She invited me to come. The games were on Friday and Saturday, and she had reserved the clubroom from noon to six for those two days. I said I'd love to, even thought I wasn't a big football fan. She said she wasn't either, but she wanted to show her

You meet lovers in the most banal ways in the most bland of circumstances. Then you realize none of that was bland. It was hot!

husband that she had an interest in them since he was such a big fan. He even wrangled some tickets to a Longhorns game while he was there. We talked for a few more minutes and I headed off to do my workout, telling her, I'd love to come and maybe I could even help her set up, if she needed some. She smiled at me and shook my hand. Then went on with her setup.

The next day I went to the clubhouse at eleven, a little before her guests were to arrive. She said many were going to be as much as an hour late so we spoke about our jobs, life, men, etc. She asked me if I had a boyfriend since I wasn't wearing a wedding ring. I told her that I was gay, and she seemed surprised. I could sense a curiosity in her smile and a twinkle in her eyes. We smiled and continued talking. After a few more minutes, her smile turned sensual and She was looking at me differently. Then, in a hushed voice, she revealed that she had 'experimented' in college. You know... 'gay-for-a-day.'

Her guests started to arrive around 12:30, and by two they were all there. Three couples, Beth and me. We watched the games and ate and drank. The party ended as the last game clock wound down and the players were being interviewed. She gave me a big hug for helping and I could feel her full breasts against mine. The two of us cleaned up a little and headed back to our homes. It had been a great evening, and all I could do was think of her as I laid exhausted in my bed.

The next day was Saturday and the games started a little earlier. The same couples came and by now, we were all pretty boisterous. Today, the games ended about six and the mess was a little bigger. We decided we were both pretty tired and we could clean up the next day. So I tried to keep it as friendly as possible. Besides, I was sure that some of the curiosity and interest she showed in me was because of my gayness. But deep down, I felt that she might be drawn to me too. We walked back to our homes and shared a long hug as our paths diverged.

Sunday came around and Beth and I were cleaning up from last night, but this time it was easy. We were done in a half hour. Since it was still early, Beth invited me to her home for a glass of wine. Initially I refused because we had work the next day, but she sweet talked me into it. Her townhouse was a little larger than mine and very nicely decorated. I saw a little of each of them in the furnishings. She went into the kitchen while I sat on the sofa and kicked back.

She returned with two glasses of red wine. I was very sure that she was checking me out. She sat down next to me and we spoke about the games, the couples and other things. She told me that while her husband was away she appreciated me being around and keeping her company. I was listening intently and did not realize that the glass was slipping from my fingers. It fell on my blouse and down my skirt. Apologizing for my clumsiness, she showed me to her bathroom. I took off my top and skirt and saw the reddish liquid all over my me. It glistened on my wet breasts, belly and thighs.

When Beth knocked on the door, it opened slightly. She showed me a towel through the small opening. I took it, and in doing so, the door opened wider and I laughed and apologized again. She told me not to worry and she took a step into the bathroom. I could see her looking at me with a yearning in her eyes. She put a second towel on the sink and began to leave the bathroom. Then she turned around and walked back towards me with hesitation. I could see that she was trembling a little. She stood in front of me and looked

at me. I didn't know what to do and just stood there in my wine soaked undies.

Beth touched my neck and drew herself in closer. Then she ran a finger all over my neck and chest putting her arm around me and pulled me to her gently and kissed me. After a few seconds, she let go and looked at me with a confused but expectant expression. I kissed her back and we kissed deeply. She put her arms around my waist and pulled me closer. I looked at her with a little concern and asked if she was sure she wanted this. She kissed my neck and told me she did. She looked into my eyes and slid her thumbs inside my panty and ran them around the elastic. I could feel her thumbs brushing against my mound and my butt. She slowly pushed me towards the sink counter and made me sit on it. It was obvious now she wanted to be in control, and I liked being controlled.

Then she kissed my neck and started going down. When she reached my cleavage, she kissed me between my breasts. Then she started licking the remaining wine drops on my boobs, undoing my bra as she did. She leaned down a little more and kissed my breasts and then my nipples. And then sucked on them and I moaned softly and encouragingly as her tongue swirled around them. She continued to suck, kiss and gently bite. All I could do was to enjoy. She traced a trickle of wine from my thighs as she sucked and then bit me on her way up. I lightly shrieked and she hesitated. She knew that I liked it. I love it when women nibble on me.

Her head reached between my legs and she continued to bite and suck. Finally, she kissed my pussy over my wet panty. Then she got up and pulled my panty down. I squirmed on the sink counter and she straightened up, took my hand and guided me to her guest bedroom. She told me to lie down and made me watch her undress. Naked, she got in between my legs and we kissed. She held my hands apart and kissed my breasts as she slowly rubbed her pussy against mine. Finally she put her finger inside. Those fingers were working inside me like a little orgasm machines. While she did this, she licked and sucked my clit. I came hard and she liked it. She gave me a few moments and then got back to work. She spread my legs and held my thighs and started eating me again. I held her hair and pulled on it every time I shuddered.

She would spank my hips and butt when I raised it. It stirred my pelvis with electricity. When I told her that I was about to cum – she stopped. She made me get on my knees and made me lean my chest on the pillows. She worked her way down my back. When she reached my ass, she again nibbled it. Then she spanked my ass, first gently and then a little harder. She licked my cheeks, my crack and kissed my rosebud. She gently tongued inside the hole and slid her finger in. At first it hurt, but slowly loosened me up and kept fingering me at a steady pace while she continued to mouth my pussy and finger it with her other hand. It was so good that I began to moan loudly. Harder and faster her hands and mouth worked. She was building me up to a big climax.

Then I came so hard that I screamed loudly and my juices squirted on her face. She spanked my ass hard one last time and then made me lie on my back. She licked my juices flowing down my thighs and licked my pussy clean. Slowly she lay between my legs and kissed me. I licked my cum off her face and kissed her again deeply. Then she raised her head and gave a naughty smile as I gave her a shy smile. I was hers from now on. She kissed me again and pulled a cool sheet over us. She lay on me, her controlling body on top of mine, our sweats mingling together, her head on my breasts, her stomach against mine, and her waist between my legs. As she slept on me, I slowly fell asleep myself, holding her tight against me.

LUCY & VICTORIA

In one smooth motion Lucy lifted my skirt over my waist; she cupped my pussy with her hand. I wanted her to touch me. And when she whispered in my ear to lower my panties; I simply obeyed her. With her tongue in my mouth, I lowered my panties to my knees. A second later we were licking each other. I could only reciprocate the favor and we played away the afternoon.

We girls are ready to party. There's plenty of time and we've got the sexual energy to do it to ourselves. But we all agree there's something missing. Missing – you say? What else is needed for a sex-fest. We need a cock and we need it now. If only there was a man in the house...
